Civil Action No. 13-2069-RGA

MEMORANDUM

The Motion for Provisional Entry of Appearance (No. 13-2061, D.I. 120)¹ is **DENIED**. Interestingly, the Devlin Law Firm – Plaintiff’s possible counsel – submits no proposed order with the motion. I do not think that is a coincidence. It is hard to figure out what sort of order the Devlin Law Firm would envision were I to grant its motion. That is because the Devlin Law Firm is essentially seeking an order to limit its potential liability for conduct it has not yet undertaken. I believe the Devlin Law Firm is seeking an advisory opinion on hypothetical conduct. I do not believe it is my role to grant prospective “immunity” to the Devlin Law Firm based on a proffer of its litigation plan if it enters an appearance in this case.

Thus, the Motion for Emergency Treatment (D.I. 126) is **DISMISSED** as moot.

IT IS SO ORDERED this 21 day of December 2015.

United States District Judge

¹ The same motion was filed in the ten related cases. I cite only to No. 13-2061.
